

# Pledge to **SLOW DOWN**

I pledge to **SLOW DOWN** and drive safely because...

To avoid crashes, I need time to **SEE AND STOP** for bicyclists, walkers and other vehicles.

**SPEED KILLS** - Driving slower can make the difference between life and death.

**GETTING THERE SAFE** > not getting there.

Every driver, passenger, pedestrian and bicyclist is someone's **LOVED ONE**.

I want to protect my loved ones and **COME HOME SAFELY**.
